/1 Broomfield County, CO was formed from parts of Adams, Boulder, Jefferson, and Weld Counties, CO on November 15, 2001. For purposes of presenting data for metropolitan and micropolitan statistical areas for Census 2000, Broomfield is treated as if it were a county, coextensive with Broomfield city, at the time of the census.

Note: The Office of Management and Budget's statistical area definitions for metropolitan and micropolitan statistical areas are those issued by that agency in December 2009 <<http://www.whitehouse.gov/sites/default/files/omb/assets/bulletins/b10-02.pdf>>.

The populations of metropolitan and micropolitan statistical areas are based upon the populations of the counties (or county equivalents) that compose these areas as of the December 2009 Office of Management and Budget definition. The census counts for the counties (or county equivalents) are as originally published.
